

A Sabbath for Man Mark 2:23-28

Growing Tension

Were the disciples doing something wrong? (Deuteronomy 23:25; Exodus 34:21; 20:8-11; 31:14)

How does Jesus respond to their accusation? (Mark 2:25-28; Genesis 1:26-2:3)

- David broke the Law. Do the scriptures condemn his actions?
- God created the Sabbath for our benefit.
- You are accusing the Lord of the Sabbath.

How should we observe the Sabbath?

- The follower of Christ should seek to give every day fully to the Lord.
- The follower of Christ should joyfully embrace the Sabbath principle as a gift from the Lord.
